Professional Experience

UI/UX Designer — LegacySoft

Dec 2025 – Present

- Designed responsive web and mobile interfaces using Figma.
- Created wireframes, high-fidelity mockups, interactive prototypes, and reusable UI components.
- Leveraged AI-assisted workflows to accelerate ideation, visual exploration, and design iteration.
- Collaborated with developers to ensure accurate implementation and consistent user experiences.

Shirt Designer — Frethos

Jul 2025 – Jan 2026

- Designed apparel graphics aligned with brand identity and audience preferences.
- Produced marketing visuals and creative assets for product promotion.

UI/UX Designer — Practice Projects

Sep 2024 – 2025

- Designed end-to-end mobile and web product experiences from research to prototype.
- Built scalable design systems and user flows for multiple UI projects.
- Created product concepts, landing pages, and user-centered interfaces.

Selected Projects

CarBook – Vehicle Rental Management System

Technologies: ASP.NET Core MVC, SQL Server

- Contributed to UI design and application development for booking, search, and dashboard features.

Dough & Delight – Bakery App

Technologies: Figma

- Designed an intuitive mobile experience with user flows, prototypes, and a consistent design system.

Salt Water Marina – Web App

Technologies: Figma

- Designed responsive dashboards and booking interfaces for a web platform.

Qurbani App

Technologies: Figma

- Designed a simple and accessible end-to-end booking experience.

Leadership & Activities

- Alumni Ambassador — TCF College.
- Participant — ZAB E-Fest UI/UX Design Competition.
- UI/UX Workshop Facilitator — SZABIST University.
